Foreword

As our hopped-up rod slid into the rear grounds of Banning High, there was a screech of brakes and laughter as we piled out of our little car to enter the rear entrance of school. . . Greetings of "Hi, guy!" and "Where did you go last night in such a hurry"? were showered on us, accompanied by smiles of happiness . . .

Small groups cluttered the hall and gossip—talk of that dreaded test and the latest being spread about the cute new fella—floated to my ears as I headed for my over-loaded locker.

Overloaded? . . . Among coke bottles, pajamas from that last Slumber Party and Levis from a frosh initiation, I recovered my notebook and a stub of a pencil and headed for my first class as the bell thundered in my ears . . . as if to say "On the ball, fella, or 5 demerits"!

SAN

GORGONIAN

This, Our San Gorgonian Annual Is

dedicated to the girl who sat next to you in English . . . to the boy who helped win the game . . . to the teacher whose class you ditched . . . to the fella who dragged you to the Spinsters' Dance . . . dedicated to our high school days.

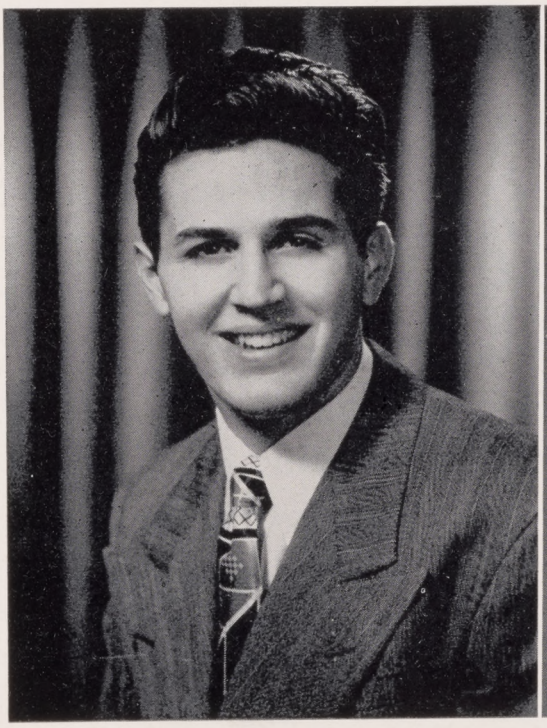
and also to

MRS. BECK

our guide. She has helped us and watched over us through our high school days, and we dedicate the San Gorgonian to her as a symbol of our gratitude and thanks.

INTRODUCING.....

"Billy and Betty Broncho"



Low Levis,
An unused book,
Argyle socks,
A vacant look,
Hatless head,
The latest fad,
And always broke,
And there you have . . . .

GEORGE PELONIS—
Our Billy Broncho lad!

Two dazzling eyes,
With baby stare,
Two ruby lips,
And golden hair,
Two dancing feet,
A shoulder sway,
A rippling laugh,
A vamping way,
A crowd of boys,
A social whirl,
And there you have . . . .

PAM PETERSON—
Our Betty Broncho girl!

Alma Mater

Hail to our dear old Banning High,
We'll sing your praises to the sky,
We will be loyal to thee ever, Banning High,
When our high school days are through,
We'll look back to you,
We will be loyal to thee ever, Banning High.

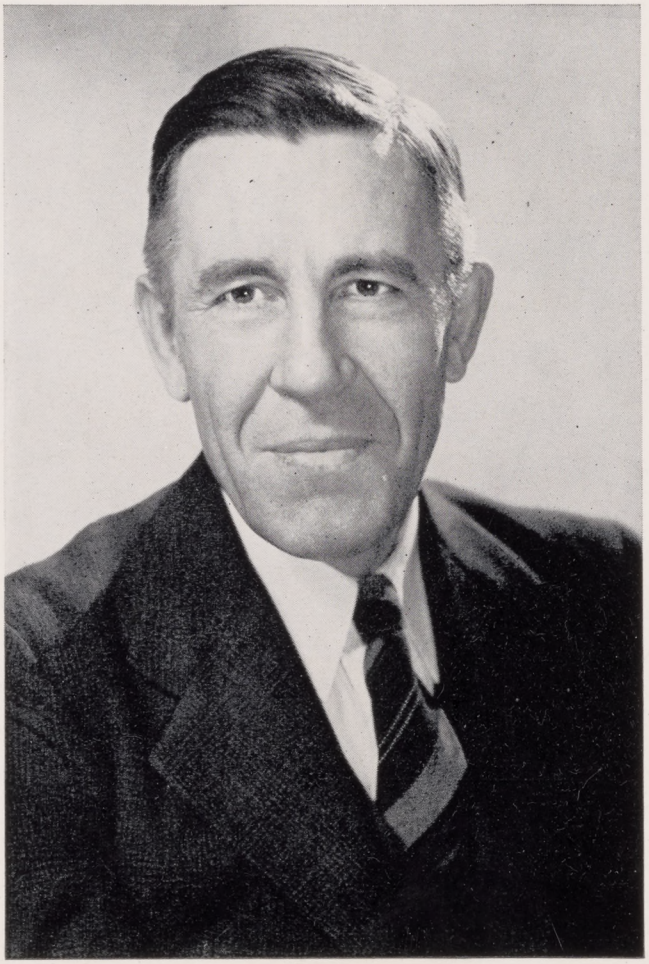
OUR SCHOOL

School Board

Standing: Dr. Peterson, Mr. Westerfield, Mr. Barker. **Seated:** Mr. Nelson, Mrs. Thompson, Mr. Trudeau

The school board, composed of five members, is perhaps the most vital functioning organ of the high school district. Their worries are many and their thanks few. We owe a great deal to these members, and now is the time to show our appreciation for their helpful gestures during this year.



Dr. Peterson

Dr. Peterson, our superintendent, is not only an excellent administrator, but a true friend of every student in the school. Dr. Peterson has been an excellent principal, for he is a man whose ability is exceeded only by his convictions and determination to stand up for the one thing he wanted to see: the students of his high school developing and maturing into strong, useful citizens of a country that needs brave individuals now, more than at any other time in its history. Our gratitude and appreciation for all he has done for us can scarcely be proven by saying "Thanks, Dr. Peterson, for a job well done!"

STUDENT COUNCIL

We represented the "kids" this year, and any situation that was brought before us by the pupils was discussed and any possible improvements were made. You elected us and we have done our best; sure hope you've been satisfied with our efforts. "No kiddin'!"

Energetic in a lazy sort of a way . . . Vacant chairs at meetings . . . sleepless nights . . . the clicking of camera shutters . . . the tapping of restless pencils as we turned out written matter . . . all these things and more, combined to make this, our '49 San Gorgonian. Many times our befuddled brains asked us if it was worth it; we decided it was and plowed deathlessly ahead. So here it is, kids, "Is everybody happy"?

"To the Teachers"

From Joe Schmoe!

When school had started once again and lessons must be done,
I quit "goin' out" right there and then, cause that meant no more fun.

Geometry? oh, that's not bad, but you sure do have to think.
When gym comes that's when I'm glad, that leaves out pen and ink.

Some say English isn't bad, and some sure like the junk,
They even say that Latin's great, but I think that's all "bunk"!

If physics wasn't quite so hard, and chemistry so cruel,
And we had lunch three times a day, then maybe, we'd like school!!!

We were the "Big Wheels" of this year and certainly want to thank all the "little cogs" for making it possible. This is our last year, a year that will not soon be forgotten. May you "Frosh" not forget that "real fine" initiation with which we greeted you, and as for you "Sophs" and Juniors best of luck to you, and hold the traditions dear as long you have them and pass them on as they were when you received them. Thanks to the Juniors for that fine Spinsters' Dance and "say!" that prom was real swell. 'Bye now, we'll miss you!

The Jaunty Juniors of 1949 are noted for successfully operating classroom student government in their English classes. It seems that every year the Junior Class is always the most in need of financial aid. The forty-niners were not original in that respect!

FROSH INITIATION

"Ouch! Dog-gone it!" "That pie's gooey!" Powdered alum, baby clothes and the smell of limburger cheese, will long be in the memories of the Frosh as they go through their coming High School years. But, kids, you were all swell sports and we hope we didn't disappoint you and your dreams of being a "'Frosh."

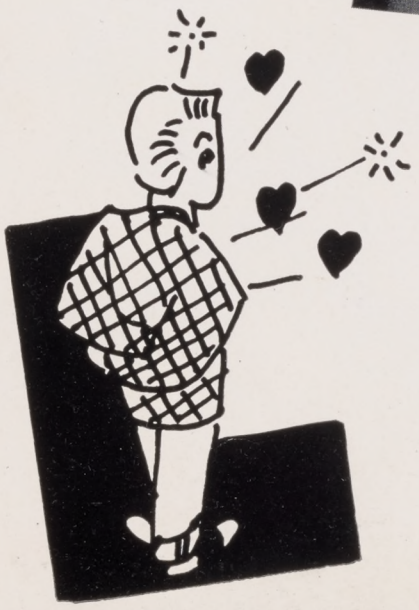
Queen Marilyn



"QUEEN MARILYN!" She's beautiful and charming, a Senior at Banning High School. Marilyn Miller, the girl chosen "Homecoming Queen" by the fellas and gals. She does make a lovely queen, don't you think? Marilyn is a talented miss, has a smile for everyone and is loved by all.

Freshman Kid Party

Numbed noses . . . bruised bodies . . . pies on walls and in faces . . . the odor of limburger cheese . . . lipstick on everything but lips . . clothed in gunnysacks and yelling for mercy, the cringing, frightened freshmen were royally initiated early this year by all the "big wheels" and worldly "cogs."

"TOO MANY RELATIVES"

The jaunty Juniors pulled a riot of a play out of the bag. When two old people, both deaf, met each other, they proved to be a gala source of laughter.

But by the audience's applause, they seemed to think there really weren't "Too Many Relatives."

"HAVIN' A TEA PARTY?"
"GOT CHA'."
"LISTEN TO PAPA!"

"Little Women"

The Senior Play cast struggled hard and long for the success the Senior Play received. Mrs. Wood was the director and a very excellent one. The play, "Little Women" was applauded with smiles, tears, and happiness. It was a story everyone loved watching as the forthright Jo, the beautiful Amy, the quiet motherly Meg, and the shy Beth grew quickly into womanhood. As the trials and tribulations of "Little Women" unfolded, everyone responded sympathetically.

The Banning High music department's operetta for 1948 - 1949, "Marianne," was enthusiastically hailed by local music lovers as being the best display of musical ability ever to be presented in the high school. It was the first time any such "road tours" had been taken by the music department. Fun was had by all and it was a hit that will not soon be forgotten.

There were about 50 entries in the Second Annual Beauty Contest this year. Gregory Peck, that handsome hunk of man, above, did the judging. — Striking Beauty, "plus"!

COACH ZOLLARS

Varsity Football

The gridiron season of 1948 saw our bucking Bronchos buck themselves into a fourth place spot in the final R. C. L. standings.

Although they were not champions, the Bronchos displayed such a firebrand type of football team that five players, at the close of the season, were picked on the league's mythical elevens.

A tribute to fine sportsmanship was paid to the squad by Doctor Peterson. He commended our green and white warriors because not once, during the entire season, did they receive a penalty for unsportsmanlike conduct.

A record to be proud of!

Varsity Basketball

"To the future, hopeful, athletes of B.U.H.S. . . .
from "Joe Schmoe."

I wanted to be an athlete, and stand upon my head;
For I am very good at that (so everyone had said);
And so I joined the gym class, with Mr. Zollars' class;
The examination he gave me was sure a cinch to pass.
So I went to the gym class almost every day.
But what surprised me most, I hate to have to say;
Instead of being an athlete and standing on my head,
I was in the hospital, lying in my bed.

Baseball

A long desired championship came to Banning at last when the rampaging Bronchos came through with a six win against one loss record to take the R.C.L. pennant. The Bronchos showed an early season spark that carried them through their toughest games. San Jacinto was the only school to short out the champion Broncho baseballers. After their defeat by San Jacinto, the Bronchos went on the rampage again and coasted into the championship column, therefore bringing glory and honor to old Banning High.

Ending

As the little rod digs out from behind Banning High, gravel flies as all thoughts fly in a teenager's mind —things jumbled, happy, and carefree and to the Seniors one thought remains . . . it will soon be over, never to be recaptured again.

We, the annual staff of 1949, wish to express our sincere appreciation to the businessmen of Banning for their cooperation and support of the 1949 San Gorgonian!

A long pause, and a lone freshman rose.

Professor: "What? Do you consider yourself a moron?"

Freshman: "Well, not exactly that, sir; but I do hate to see you standing all alone by yourself."
